We value
tradition and comfort!

Lech am Arlberg is a town with a long tradition and unique flair, surrounded by a magnificent natural backdrop. Our hotel, situated in the centre of Lech, has stood for continuing these traditions at the highest level for more than 80 years.

Comfort, cosiness, pleasure and relaxation - a "holiday mix" that is valued in the Tannbergerhof by guests from all over the world. Allow yourself to be enchanted, too ...

*Saturday, 16th January, arrived at 6.00pm
Walked in! Deepest winter in Lech
and stunning mountain scenery...*

Sunday 17th January, 1st day of holiday

Eat, drink, enjoy, celebrate, ...

The best Glühwein
in the world
at the Eisbar!

MARTIN STÜBERL

TAGESBAR

Monday 18th January, 2nd day of holiday

Had ample breakfast, then was off to the piste. Had a mid-day snack at the Tagesbar, enjoyed the sun on the terrace in the afternoon, had a delicious à la carte dinner in the Martin Stüberl ... and then another drink afterwards in the Tannberg Bar. This is the life ...

A JOURNEY FOR THE SENSES ... we spoil your palate around the clock and see to a great atmosphere!

Whether it's at the homely "Tagesbar", on our glorious sun terrace or with the à la carte in the evening in the "Martin Stüberl" - we will serve you snacks and regional specialities with an international note. An exquisite combination ...

You have to have fun, ... especially when you're on holiday! Daily open air party in our "Eisbar" - THE après ski meeting point in Lech! Don't let yourself miss out on the "best Glühwein in the world" (according to the Sunday Times)! The "Tannberg Bar" is also waiting for all night owls with live music, disco hits, many events, creative drinks and a great atmosphere!

And for those who like it a little quieter, you are guaranteed to sleep undisturbed thanks to the excellent methods of construction used. Here, partying and calm go hand in hand.

*Tuesday 19th January, 3rd day of holiday
Wonderful! What better
is there after a day on the piste?*
